No such statement shall be used to contest this Policy or reduce benefits unless contained in a signed, written application, a copy of which has been provided to the person who made the statement, or to their beneficiary or representative. No such statement will be used to contest this Policy after this Policy has been in force for two years.

CLERICAL ERROR: Clerical error in keeping any records pertaining to the coverage, whether by the Policyholder or by the Company, will not invalidate coverage otherwise validly in force nor continue coverage otherwise validly terminated, provided such clerical error is not prejudicial to the Company and is rectified promptly upon discovery.

CONFORMITY WITH STATE STATUTES: Any provision of this Policy in conflict on its effective date with the laws of the state where the Covered Person lives is amended to conform to the minimum requirements of such laws.
DESIGNATION OR CHANGE OF BENEFICIARY: Each Covered Person may designate a beneficiary to whom loss of life benefits are payable. The designation shall be as follows in descending order of preference:
1) Beneficiaries designated in writing by the Covered Person for this Policy on file with the Policyholder, if any, otherwise;
2) Beneficiaries as designated in writing for any group life insurance plan or its renewals in force for the Policyholder, if any, otherwise;
3) In equal shares to the members of the first surviving class of those that follow, if any:
   a) a Covered Person’s lawful spouse, if not legally separated or divorced,
   b) a Covered Person’s natural Child, adopted Child, foster Child, stepChild, or other Child for whom the Covered Person has or had legal guardianship (proof will be required); or
   c) a Covered Person’s parents, whether natural, step or adoptive; otherwise.
4) The estate of the Covered Person.

A Covered Person may change his/her beneficiary designation from time to time without the consent of the designated beneficiary by giving notice, in writing, to the Policyholder. When a request for designation or change is received by the Policyholder, it will take effect on the date of its execution, whether or not the Covered Person is living on the date it is received by the Policyholder. Any interest created by the request will be subject to any payment made or action taken before its receipt.

A Covered Dependent’s beneficiary is the Covered Person. If no beneficiary is living on the date of a Covered Dependent’s death, the beneficiary is the Covered Person’s estate.

ASSIGNMENT: No assignment of interest in loss of life benefits shall be binding on the Company until the original or duplicate thereof is received by the Company. The Company assumes no responsibility for the validity of such assignment.

INSOLVENCY: The insolvency, bankruptcy, financial impairment, receivership, voluntary plan of arrangement with creditors, or dissolution of the Policyholder will not impose upon the Company any liability other than the liability defined in this Policy. The insolvency of the Policyholder will not make the Company liable to the creditors of the Policyholder, including Covered Persons under the Plan.

LEGAL ACTION: All Policy terms will be interpreted under the laws of the state in which this Policy was issued. No legal action may be brought to recover on this Policy within 60 days after written Proof of Loss has been furnished. No legal action may be brought after three (3) years from the time written Proof of Loss is required to be furnished.

MISSTATED DATA: The Company has relied upon the underwriting information provided by the Policyholder, its Third Party Administrator or other Agent in the issuance of this Policy. Should subsequent information become known which, if known prior to issuance of this Policy, would have affected the rates, deductibles, terms or conditions for coverage, the Company will have the right to revise the rates, deductibles, terms or conditions as of the Effective Date of issuance, by providing written notice to the Policyholder.

WAIVER: Failure of the Company to strictly enforce its rights under this Policy at any time or under any circumstance shall not constitute a waiver of such rights by the Company at any time under the same or different circumstances.

WORKERS’ COMPENSATION: This Policy is not in lieu of and does not affect any requirements for coverage by any Workers’ Compensation Act or similar law.

Residents of South Dakota who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the South Dakota Life and Health Insurance Guaranty Association. The purpose of this association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Guaranty Association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the Guaranty Association is not unlimited, however. And, as noted below, this protection is not a substitute for consumers' care in selecting companies that are well managed and financially stable.

The Guaranty Association does not provide coverage for all types of life, health, or annuity benefits, and the Guaranty Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in South Dakota. You should not rely on coverage by the South Dakota Life and Health Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy.

Coverage is NOT provided for your policy or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus.

Insurance companies or their agents are required by law to give or send you this notice. However, insurance companies and their agents are prohibited by law from using the existence of the guaranty association for the purpose of sales, solicitation, or inducement to purchase any kind of insurance policy.

The state law that provides for this safety-net coverage is called the South Dakota Life and Health Insurance Guaranty Association Act. Below is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the Guaranty Association.

**COVERAGE**

Generally, individuals will be protected by the Guaranty Association if they live in this state and hold a life or health insurance contract, or an annuity, or if they are an insured certificateholder under a group insurance contract, issued by a member insurer. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state. Coverage is also provided by the Guaranty Association to persons eligible to receive payment under structured settlement annuities, who are residents of this state and, under certain conditions, such persons even if they are not a resident of this state.

**EXCLUSIONS FROM COVERAGE**

However, persons holding such policies are **not** protected by the Guaranty Association if:
- they are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
- the insurer was not authorized to do business in this state;
- their policy was issued an HMO, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, or by an insurance exchange.

The Guaranty Association also does **not** provide coverage for:
- any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- claims based on marketing materials or other documents which are not approved policy forms, claims based on misrepresentations of policy benefits, and other extra-contractual claims;
- any policy of reinsurance (unless an assumption certificate was issued);
- interest rate yields that exceed an average rate specified by statute;
- dividends;
- credits given in connection with the administration of a policy by a group contractholder;
- employers' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them);
- unallocated annuity contracts (which give rights to group contract holders, not individuals);
- certain contracts which establish benefits by reference to a portfolio of assets not owned by the insurer;
- policies providing health care benefits for Medicare Parts C or D coverage.

**LIMITS ON AMOUNT OF COVERAGE**

The Guaranty Association in no event will pay more than what an insurance company would owe under a policy or contract. In addition, state law limits the amount of benefits the guaranty association will pay for any one insured life, and no matter how many policies or contracts there are with the same company, as follows: (i) for life insurance, not more than $300,000 in death benefits and not more than $100,000 in net cash surrender and net cash withdrawal values; (ii) for health insurance, not more than $500,000 for basic hospital, medical and surgical insurance, not more than $300,000 for disability insurance and long term care insurance, and not more than $100,000 for other types of health insurance; and (iii) for annuities, not more than $250,000 in the present value of annuity benefits, including net cash surrender and net cash withdrawal values. However, in no event will the Guaranty Association be obligated to cover more than an aggregate of $300,000 in benefits with respect to any one life except with respect to benefits for basic hospital, medical and surgical insurance, for which the aggregate liability of the guaranty association may not exceed $500,000. These general statements of the limits on coverage are only summaries and the actual limitations are set forth in South Dakota law.

**Additional Information**

The statutes which govern the Guaranty Association are contained in SDCL Chapter 58-29C. Additional information about the Guaranty Association may be found at [www.sdlifega.org](http://www.sdlifega.org), which contains a link to SDCL Chapter 58-29C.
